Welcome to the summer newsletter, It is so nice to see some sunshine and let's hope it remains with us into the summer holidays.

From the look of the magazine it's been a busy time over the last few months and looks like it is set to continue. Please keep sending in your events as it's so nice to be able to include items of interest for people who live in the parish and for those who have moved away but still like to keep up to date with village life.

David Gubb has created a new Langtree Parish Hall website which is still under construction as more content is made available but I think it is already looking fantastic. We have also created between us two new Facebook pages for the Parish Hall and also a Community Page for people to list events, lost and found or other things of interest going on in the parish. Please feel free to add to the page as long as its informative and helpful and not going to cause offence to someone.

Subscriptions are now due again for the next magazine, which will be out on November 14, Adverts are £40 for 4 editions, Full Page adverts are £100. The magazine is delivered to over 350 properties in the parish free of charge and is all done on a voluntary basis with the adverts and grant from the parish council funding the printing costs.

We are really pleased to say that the Parish Council have replaced the seats on the existing swings, and to revamp them further we are using some of our funds to have the frame sanded and painted. This is due to be completed by the end of July.

As a committee we have decided to use our current funds to install a large basket swing, something that many of the children who attended the consultation really wanted. We are still intending to install a climbing frame and are working hard to complete grant applications to help with this.

Save the Date! 26th July 2014

After the success of last year we plan to hold another Picnic in the Park. So, bring your picnic and all the family between 11am and 1pm to Langtree Park on Saturday 26th July. We would like to make the event slightly bigger this year with more games, activities and stalls. The tables will be available for £5 to anyone wanting to sell arts, crafts, jams & chutneys, plants, etc. If you are interested please contact Helen on the number below.

We would like to take this opportunity to thank everyone for their hard work, donations and support for all our fundraising events so far. If you are interested in any part of the Park project please contact Anna on 01805 601580 or Helen on 01805 601950

Little Acorns Toddler Group - Meet Thursday mornings during term time, in the parish hall - 9.15 to 12 noon. Notes from the Parish Council

We have had a fairly quiet period as far as Langtree Parish Council is concerned with no more contentious planning issues to consider and not too many road problems to try and get sorted. The proposed development behind the parish hall is still on hold with no immediate prospects of affordable housing for those that have been asking for them for what is now several years. We just want it to happen and deliver a decent potential sports field. Our Plan B is in place but new planning rules reduce any developer's requirement to provide the affordable element so more houses at full price will be needed to co-fund them. I hope it doesn't come to that.

Langtree Park, formally known as the playing field, is to get a new path. LPC was awarded a grant of over £1400 which will go some way to getting the job done. The Friends of Langtree Park have been raising money and searching out funding for new equipment and will be helping us to plan the exact position of the path. However, DCC who several years ago had got planning consent for a path around the edge of the field are suddenly expressing an interest again. Their remit was to provide a safe alternative route to school but the funds evaporated at the time. We will see if we can work with them, combine our efforts and do a first rate job of it.

We don't seem to have had that speed sensor in Stibb Cross for a long time now. Having been overtaken within the 30mph section abeam Heathland View more than once, I for one would like to find out where it's gone. With children often using the road surely drivers could kill their speed just for a few hundred metres.

Don't forget (like we sometimes do), Parish Council meetings are held on the second Thursday of every month at 7.30pm in the Parish Hall but do check the notice boards or ring the clerk for details. You are welcome to come for a riveting evening(!) and can even make a comment at the end. If it's a bigger issue you want us to consider then we need at least a week's notice to get over the shock.

Langtree PTA News

I can't believe where the time has gone but my youngest will be going into her last year at Langtree school in September and after being on the PTA since 2000, and having been Chair for several of those years, I have decided to take a back seat for her last year. I have been constantly grateful for the support that the local community give the school and would like to express this by giving a big THANK YOU to all of you who have attended events and dug into your pockets over the last 14 years and hope you will continue to support the school as a very important part of the local community.

Having said all that I would like to invite you all to the....

Church News

The daffodils we planted last Autumn made a lovely show in the Spring however it was a shame that some were picked and strewn about the Church yard. We hope to sow some Poppy seed in the same area to commemorate the 100th Anniversary of WW1. We have completely cleared the enclosed Graveyard of all weeds and have sown wild flowers there in the hope of keeping the weeds down.

We have ordered new bell ropes from Mendip Ropes and Mark will be delivering everything to them in the next few days. They have promised to have them back and re-hung by the end of the month. in time for a Wedding. Mark raised £250 with his sponsored beard dying which will go towards the cost. The Friends are giving the rest.

Pat Mitchell has been asked to start repairs to the path during the Summer.

Dates for your diary. CHURCH FETE will be on Saturday August 2nd in the Parish Hall, there will be a Book Stall again so if you have any spares ones please let me know.

There will be a Flower Festival in the Church On Friday September 12th to Sunday 14th watch out for posters

Patricia Soby, Church warden.

Coffee Morning

On behalf of our Nightwalk team, we would like to thank everyone who so generously supported our coffee morning, which was held on Saturday 24th May, in the Parish Hall.

We raised an amazing amount of £398.20. This money will be going towards the Holsworthy Long House appeal, the Hospice's new outreach centre which is being built later this year, in Holsworthy.

We completed the 6 mile walk on Saturday 31st May, around Tamar Lakes. It was a lovely evening, walking with numerous other ladies, all raising money for this worthy cause.

Thank you once again for your support. *Sam Mills*

WI

March saw us gathered around the new kitchen watching Alison Gribble make the following sweets, Higgledy, Piggledy pie, Coffee Cream, Lime and Bitter Choc Cheese cake, Choc cheese Trifle and Choc Amaretto. Then we all sampled them.

In April we listened to Vivian Foster talking about her life. We learnt that she had written a Book, Lived with a Millionaire, worked for an Arab prince, and principally leading the fight to ensure that the Merchant Navy was recognized as the fourth fighting service and should be allowed to march with the other Services at the Remembrance service at the Cenotaph in November. This was won and Vivian was made national President of the Merchant Navy for life.

At the annual Meeting Mary Nicholls, Sue Lee, Linda Westall and myself were returned as the main Officers. Joy Green has retired from being Competition secretary. We all thank her for all her hard work. Jeanette Fail has taken over from her.

8 members went to Merry Harriers for a Hanging Basket Demonstration and then Made their own.

Our Tea Party raised over £300 for our funds. Thanks to everyone who came.

Our meetings are reverting to the third Wednesday of the Month starting in June 18th. when the Speaker will be The fire service; on July 16th it will be Hands on Sugar craft; August 20th. visit to Hartland Abbey; and September 17th. a Slide Show of the Hebrides.

Visitors are Welcome, £3-50. please contact Mary Nicholls on 01805 601235 for further information.

Whats new?

Since the last newsletter the web site has been developed and can be viewed at www.langtreeparishhall.co.uk where the booking form, conditions of hire, some photos and a calendar of occasional bookings can be seen. Special thanks to David Gubb for developing this. Of course bookings can be made by phone to Anne Cadman 601609 or to me 601602. There is still more information to add but this is work in progress! We have also had wifi installed and this was particularly useful for organising the count at the recent elections. The password will be given out when requested by individuals or groups. A projector and screen have been fitted in the Leader room for use by visiting speakers and also for the film nights which will start in the autumn. Black out blinds are being fitted to the Leader room and also to the velux windows in the main hall. No need for a long ladder to operate them it will be done by battery remote control! Unfortunately the Open Gardens pencilled in for June 22nd had to be cancelled as for a variety of reasons only 7 gardens would be open. However there have been several promises for gardens next year. Chris and Graham Carswell have agreed to organise the event which will be on June 20th 2015. If you would be interested in taking part please phone Chris or Graham on 601 117. Please don't be shy we need a variety of gardens.

Will there be a pantomime? Oh yes there will. Dates are Tues 3rd, and Wednesday 4th February for dress rehearsals and the performances will be Thursday 5th, Friday 6th and Saturday 7th February. At present the actual pantomime has not been decided but there will be an opportunity for young and not so young to take part. A meeting has been set for 30th September at 7pm in the Leader room to read through scripts and register your interest whether it be for acting, back stage or general dogs body! Rehearsals will normally be on a Tuesday evening.

We did hold an Easter Bingo which was very enjoyable but lacked supporters. Prizes were generous and certain individuals went home with an array of goods! We are holding another in December so do come along!

In this newsletter you will find a reprint of the Parish show schedule together with rules and entry forms. The show takes place on 16th August. Last year was an excellent show with plenty of entries. Do try and enter a couple of classes or if not come anyway and see the wonderful array of produce, craft work and photos. Teas will be available.

There are a number of private parties and celebrations booked over the next few months but open events are:

Langtree Short Mat Bowls Club

We are pleased to report a very successful winter season which concluded at the end of March. We had teams in the North Devon & North Cornwall evening triples 1st division, and in the afternoon triples 1st division, and a team in both the 1st and 2nd division of the Merton League. All teams performed well and we were winners of the ND&NC 1st division evening triples.

In addition we had remarkable results in cup competitions, winning the Presidents Cup, The Merton Knockout Cup and The Mary Kent Trophy. Three players also represented North Devon in the County Challenge played at Exeter.

Anybody wishing to try their hand at bowls is very welcome to join us in one of our roll-up sessions, held every Wednesday afternoon at 1:30-3:30 or on a Wednesday evening at 7:30-9:30. Please check first for the evening session which may be dependent on the number of league matches being played.

The members' thanks go to Brian Jordan, who this year stood down as club captain after 5 years hard work and commitment, and his role has now been taken over by a committee.

The children at Langtree School have continued to show great enthusiasm and talent in the Wednesday lunchtime session, and as some now move on to high school after the summer we hope they will retain their interest in the sport in years to come.

Anna and family sincerely thank everyone who attended Rob's funeral at a beautifully decorated Langtree Church, and Rev Martin Warren for conducting a special service. Grateful thanks also to Langtree School for opening the crèche and especially to Langtree Parish Hall and Committee and helpers for refreshments after the service and to all those who helped with parking cars! Also, Bideford Rugby Club for a special tribute at their match.

Anna was overwhelmed by the cards and messages of love, sympathy, support and prayers she received. Also, all the support she received during Rob's long illness by too many individuals to name.

Thanks also to all doctors and nurses involved in his care over the past 7 years.

Finally thank you for donations in excess of £ 2,000 in Rob's memory donated to the North Devon Hospice.

Dear Friends,

In a few weeks time, we will be marking the 100th anniversary of the outbreak of the First World War. A century ago – and the world changed. The unbelievable carnage of that war was on a scale that had never been seen before, It left many communities devastated. From my younger days I can remember so many older ladies who were Miss this or Miss that. Women who had never married because there weren't enough men to go round after the war.

It all began with the assassination In Sarajevo of the heir to the Austrian throne. The date gets struck in my mind as it is my daughter's birthday: 28th June. It seems that from that day on World War 1 was inevitable. From one chance shot in a remote part of Europe, millions were slaughtered over the next four years. It is extraordinary how one small action could have such catastrophic results.

But the truth is we know that reality. We may not see it on such a large scale, but we all know how one small event can lead to consequences much bigger than we ever imagined. A harsh word or a mean deed can have long-lasting effects. Splits within families or between neighbours bear testimony to just what can happen. And sometimes it is all totally unintentional: a word misunderstood or an action taken the wrong way. It can so easily happen.

It all makes us think just how careful we need to be with our words and deeds. And when things do go awry, as they inevitably do from time to time, to have the willingness to back down and make sure it doesn't all get out of hand.

Easier said than done? Probably. Which is why we need the grace of God on a daily basis. His wisdom to guide us in the first place; and then His mercy to help us when it does all go pear-shaped.

Yours, Martin Warren.

Langtree History Group Mike Roe

In this year of the 100th anniversary of the start of World War 1 we have been trying to research as many details as possible of those men of our parish who made the ultimate sacrifice for the safe future of our country.

We have a good collection of information relating to John Goss, from Stowford, who is buried in our church yard but the others we have, so far, little knowledge. This is where you, the reader of this report, may be able to help. Apart from those men identified on the memorial plaque in All Saints Church there are three other men who we have little knowledge of. One of these is Frederick Blight who is buried at Siloam but his name appears on the Merton war memorial. Does any one know of anything to do with Frederick Blight?

Another mystery person is William Henry Froin, a war victim of whom we have no knowledge. The only clue that may be relevant is that there is a Froin Field somewhere in, or near, Merton. If anyone has any information relating to William Froin or any of our other war victims then please contact either Margaret Knapman or myself.

A new project for the group is to record photographically, with brief details, all of the historic buildings within the parish. Buildings erected since about 1920 are not included at this stage as their historical value, at this time, is limited. Newer buildings may be included in a survey at a later date. Many of our older buildings are now private residences but have a long and interesting pasts that include shops, breweries and mills. This is a huge project but we are hoping to be able to complete this by the end of this year. Any historic details of your house, or farm, plus any photographs, that you would be willing to have copied and included in the final archive, would be a welcome addition to this project.

Ongoing activities include the monitoring of planning applications that affect the parish. This includes renewable energy projects plus the sale and probable development of land surrounding the village hall

We are still collecting holiday postcards as part of a social history archive. Holiday time is upon us so please bring a spare post card home with you from your holiday this summer for our archives. It doesn't matter if you have been for a week end in Bude or a month in Timbucktu it is all interesting stuff. Just mark the back of a card with your name and the date of your holiday and pass it to either Margaret Knapman or myself.

The final mystery which we are trying to crack is that related to a battered silver vase found in a box in the Methodist Chapel store. The vase has an inscription which reads "In Loving memory of John and Elizabeth Palmer" and beneath the word Canada. The Palmer Family is local to the parish but we have little knowledge of John and Elizabeth. Does anyone know of this family or the history of the silver vase and to what does the word Canada refer?

We are still a small, but very active, group. Any new members would be warmly welcomed. Our list of meeting dates was published in the last newsletter. To contact the group phone myself on 01805 601114 or contact Margaret Knapman on 01805 601228.

Thank you, in advance, for any historical information that you can give us that relates to our parish

Welcome to Langtree Community School

Summer Term Update

We are very pleased and excited to be able to let you know that our before school club, 'The Early Bird Club', is now up and running from 8am each day. Feedback from families suggests that it is greatly appreciated and is certainly helping to make the start of the day easier for parents and carers, as they leave their children safely in

the hands of our most recent employee, the very enthusiastic Miss Stacey Weeks, to enjoy some fun activities and a healthy snack from the Snack Table, ahead of registration for the formal school day at 9.05am. Miss Weeks has been with the school since the beginning of Term, as, after an early start each day, she then stays with our Foundation Unit as a Nursery Assistant to provide essential support for the teaching team. Our very popular **Nursery Lunch Club** - when our youngest children can stay for lunch with us and spend an extra hour in the company of their friends to eat, chat and play over lunchtime – is now a firmly established part of our daily routine. These are both very exciting developments for us and we will let you have regular updates about the progress of both.

Shortly, each class will be heading off for their annual class trip to which they always look forward. Our oldest children, Years 5 and 6, will have been away for a week's residential stay at **PGL Barton Hall, Torquay** by the time this article reaches you in print. They will have enjoyed lots of outdoor challenges during their time away, including canoeing, high-swinging and climbing plus, for some of them, the challenge of a first stay away from home which can prove slightly challenging for some parents too! We feel sure they will have experienced a week to remember, with lots of photos to bring back memories to take with them when they leave us at the end of the Summer Term (Year Six pupils, that is).

Foundation Stage Nursery Open Morning 'Stay and Play' Session Our session for this term will be held during the morning of **Tuesday 08 July 2014**. Each session runs from 10.30 am till 12 noon so if you would like to take a look at, and try for yourself, some of the indoor/outdoor activities we are able to offer please come along as we would love to meet you. For more information, please be in touch: by 'phone: 01805 601354; or e-mail: admin@langtree.devon.sch.uk.

We are looking forward to making use of our outdoor **swimming pool** this term, with each class having a timetabled swimming lesson every day. It is a true sign of summer when Karen, our caretaker, lifts off the pump cover and dusts off the floats and children include swimming kits in their bags each day. Although we rely on the sun to raise the temperature of the water, there are very few children who are not tempted to try a few lengths. Many soon find the confidence to become able swimmers in a few short weeks.

Our **Sports Day** this year is planned to be held on Wednesday 09 July during the afternoon, and everyone is warmly welcomed to come and spectate, and cheer-on the teams to give them some support. With the **PTA Summer Fair** due to take place on Friday 18 July these two events are the main opportunities for us to open our site to visitors and give you chance to come and say 'Hello', enjoy some refreshments and make the most of the warm sunny weather (hopefully!).

Zion Methodist Chapel

As I'm writing this article for the newsletter the sun is shining, first cut silage has been done, hay has been made and flowers are blooming in the hedgerows and gardens. We have much to be thankful for living in this beautiful part of the world.

'Now thank we all our God,
with hearts and hands and voices
Who wondrous things have done,
in whom his world rejoices

Who from our mothers'
arms has blessed us on our way

With countless gifts of love and still is ours today'
(Martin Rinkart)

We are hoping to support the Samaritans Purse Shoebox appeal later in the year. We usually have to search around for shoeboxes so if you have any spare ones they would be gratefully received.

Listed below are the services for July and August – we would love to see you. There is a Sunday School most weeks with a Bible story, puzzle and craft activity.

LUNDY ISLAND

A day trip to Lundy Island is also a cruise on the MS Oldenburg, a chance to enjoy the beautiful North Devon coast.

Travel from Bideford or Ilfracombe to this wonderful island, take lunch in the Marisco Tavern and sample the local ales, also close by is the Lundy shop where you can buy anything from souvenirs to provisions for your picnic.

Lundy is such an interesting island with three lighthouses, a 13th century castle, pirate haunts like the smuggler's cave, spectacular scenic walks with a breath taking landscape.

For an island that is three miles long and half a mile wide it is home to some wonderful wildlife, the skies are full of birds, our resident seal population, wild Lundy ponies, sika deer and not forgetting the puffins they arrive in April and leave around the end of July.

The day trip timetable is available from all tourist information centres and the Lundy Shore Office in Bideford.

Tickets can be booked in most tourist offices as well as Bude and Holsworthy Visitor Centres.

TGIF

'Thank God It's Friday' is the monthly after-school
held in the church for Primary School-age children.
(Younger brothers and sisters are very welcome to
come along, too!)

We meet every month, mostly on the second
Friday of the month (to coincide with the 11
o'clock Family Service in the church the following
Sunday) after school, until 5.00pm.

We play a game or two, listen to a short bible
story, do a craft activity, have a snack, say a prayer
..... and then go home!

It's all very relaxed and simple. The aim is to
introduce the children to the basis of our Christian
faith in a fun and easy-to-understand way. NO
PREACHING!! And no charge!

We are not a registered child-care provision, and
so we do need parents to be there, too.

We would love to see you. Please come along and
see if it's for you.

Parish Hall Surgery

The Shebbear practice offers a day a month in the Langtree Parish Hall. We would very much welcome seeing patients or bringing medication that has been requested. We would need a phone call and we will try to accommodate the request.

At the same time, we would encourage patients to contact us by email or by online request for medication. We are aware that in a rural community, travelling distances are a factor to bear in mind.

Kind regards,

Francis Fernandez - Beech House, Shebbear Surgery
