## Magazine

August 2016

### **Langtree Rainfall**

From Joan Lampard

Welcome to the August Magazine, this edition I am trying something a little different to mix it up a little. Your feedback will be welcome.

I have not put any adverts in this month as I wanted to get the magazine out and I have not reviewed the accounts yet and have not sent out invoices for the next four editions. I have still included the parish directory and if anyone is missing or would like their details added please send me an email.

Thank you to everybody who has contributed to this edition. I was making very good progress last week on the editing but we had an unannounced Care Quality Commission inspection this week at work and although the inspection went very well with a great result I am afraid my plan for the week did not go quite as well.

Next Deadline 1<sup>st</sup> November 2016 for December Edition

Hi,

I have been googling to find out a bit about anyone in Langtree I could ask about an historical document I have in my possession. If you cannot help do you know anyone local I could ask?

I do not recall how or when I got it but allow me to explain. I am originally from North Devon and moved to London in 1983. A lot of my family are still in Devon. We have all moved houses various times so I am not sure how I got it or who gave it to me. Possibly when clearing my grandparents' house? But I don't understand the connection. Anyhow, I moved last year and found it in a box in the attic.

I have an indenture for the sale/transfer of Bear House in Langtree dated 1859. The two names are William Richards and John Nankievell. It is a beautiful document and it would look wonderful framed and I hoped to find the premises and offer it to the current occupier as a bit of historical interest. This is a gift not a sale I should add.

I really hope you can at least point me in the right direction.

Kind regards,

Trudy Ross

## Summer News from Langtree Community School

**Sports Day Tuesday 12 July 2016** Lots of our families joined us for our annual Sports Day, which took place on Tuesday 12 July with track and field events on our field from 1.30pm. As last year, we held a swimming gala and short mat bowls competition during the morning, with races in the pool for Classes One, Two and Three plus Reception children, switching to the sports field during the afternoon for our track and field events. We were very grateful to our hardworking PTA, led by Clare Heard and Lizzie Hunkin, for offering to provide some very welcome refreshments during afternoon. Thank you also to all families who booked and enjoyed an adult Sporty Lunch, eating with their children ahead of the afternoon events. We accommodated almost 20 sporty diners, who, thanks to Jacky our Kitchen Manager and Andrea our Kitchen Assistant, enjoyed Golden Fishy Batons (fish fingers) or Victory Vegetarian Sausages served in a soft bap with lettuce and sliced tomato, potato wedges and five bean pasta salad, followed by a frozen Cool Down (vanilla pot ice cream). Scrumptious! We celebrated the Blue Team winning the Sports Day Cup, scoring a very impressive 137 points and, for the first time in Langtree School sporting history (that we can remember) we had two teams joint second with 127 points each, followed by Yellows with 67. Well done to all our young competitors.

**Merton Rally** Congratulations to our football and netball teams who all played amazingly well when they took part in this year's Rally at The Clinton School. Ultimately, we came away with the winner's cup for the football section, and runners-up cup for netball. Well done to all our players, and a huge thank you not only to our team coaches and managers, but also to parents for helping us out on a Sunday morning by making sure all our players were available. Three cheers for Langtree!

**'Awards for All' – including Langtree School!** You may have already heard the very exciting news that, after nearly a year of waiting, we have been awarded a £10,000 grant from the National Lottery 'Awards for All' scheme. This is to be used to completely renovate our all-weather adventure playground at the front of the school. We very democratically asked our children to vote for the pieces of equipment they would most like to have so, based on those results, have been working with local installer TK Play to plan and redevelop the area ready (hopefully) for the beginning of the Autumn Term in September.

**HRH Queen Elizabeth II's Birthday Bake Off** We were truly amazed and delighted by the amount, and quality, of the entries we received for our event; from decorated digestives, to delicious citrus cakes, they were all superb and very much appreciated by everybody who came along to try them at our afternoon tea. Congratulations to the worthy winners and thank you to everyone for taking part. We were very grateful to our Judges for the morning: school governor Mrs Sue Lee, and Mrs Jenny Brydges for offering to come and be our impartial 'Mary Berrys', with some extra special 'thank yous' to Mrs Clare Heard for helping us plan and organise the immensely successful event and Celia Lancaster for supplying the decorative wooden spoon prizes.

**Summer Fair** A 'resounding success' has to be the only way to describe our Summer Fair, which took place on a sunny Wednesday afternoon near the end of term. Games, a very bouncy bouncy castle and stalls kept everyone amused, with a grand raffle and refreshments adding the finishing touches. We believe, alongside a couple of other smaller fund-raising events (a sport non-uniform day for example), the PTA raised over £600 in total towards their target for the year. Thank you to everyone who visited us to help support this event.

**Sporting Success** Well done to all our valiant cross-country runners who took part in the recent event held at the Bluecoat School, Torrington. Our Under-8's and Under 10's footballers visited Shebbear College to play in their football tournament, where the Under-8's managed to get all the way to the Final before being pipped to the post, competing against other local teams of similar ages while, in the next round of the Devon and Cornwall Police tournament, although our team played really well, they did not unfortunately progress to the next round. Year Six and Year Five children have all taken part in county-funded 'BikeAbility' training with thanks to Mike and Ian, their Instructors.

**'Farewell Year Six'** We wish all our Year Six pupils the very best of luck as they move towards secondary education, and look forward to them revisiting Langtree School at some point in the future. 'Goodbye' too to all those families who have been with us for just too many years to count on one hand, but who won't have any particular reason to be here in September and especially to any of those who have supported our PTA during their time here: we are very grateful to you all. Thank you also to everyone across the community who supports Langtree Community School. We look forward to welcoming you at one of our open events during the new school year.

## Allotments and a Community Garden

Following several local requests, Langtree Parish Council is entering into an agreement whereby we will be leasing the land to the south side of The Crescent. This is currently an eyesore of overgrown scrub and the plan is to provide the Parish with a small number of allotments and a community garden. Both endeavours will be on a self-help basis. We already have a core volunteer base for the construction and maintenance of a community garden, and interest has been shown for allotments. Anticipated date for when the land will be ready to start cultivation is 1<sup>st</sup> October 2016. It will not affect the local residents who currently park their cars on part of this land.

For obvious financial reasons the Parish Council cannot fully fund this venture and we will be relying heavily upon volunteer support. The allotments will have course have a minimal rental liability but it will not be excessive. If you are interested in an allotment or help with a garden please contact me, Mike Evans, the Parish Clerk at Withacott Bungalow, Langtree, in writing, so that I can maintain a known contact base of interested parties.

Dear Friends,

'No' means 'no.' Remember saying that to your children. And how many times it had to be said.

And now we have to learn just what that means. I suspect many of us woke up to the result of the referendum somewhat surprised. Whether we voted Remain or Leave, I guess not too many really expected the vote to go the way it did. (Even Boris Johnson seemed to only have one speech prepared, ready to fight on!) And then the upheavals that followed, and the landscape suddenly looked very different. It was all quite extraordinary.

You make a decision – and you never quite know what it will mean. Consequences can be huge and often unintended. And all along we have to recognise that 'No' means 'no', and 'yes' means 'yes'. We can't undo the decision.

Our son got married recently. (Lots of photos on Facebook!) And I thought what an extraordinary decision he and his bride were making. Who knows what life will throw at them, what directions they will go in, just what they will have to face. The consequences of their decision will be literally life-changing. And they can't go back. They have made the decision. Whatever happens, that decision will shape their lives.

Awesome! No wonder we need the grace of God. He can see the way ahead where we can't. He promises in Jesus to be with us in it all – both the ups and the downs. I, for one, am so glad that he does. I wouldn't have it any other way.

Yours, Martin Warren.

CHURCH NEWS - A service to celebrate the Queen's 90<sup>th</sup> birthday was held on a beautiful Sunday evening in June. The Service was conducted by the Rev. Julie Cartwright, the NDDH Chaplain. It was based on service. Hymns was selected by members from both the Church and the Chapel. Geoff Folland read the Lesson, David Hill read stories of other people's service to their communities, I read the piece David Attenborough read at the Abbey, Margaret Knapman read the Prayers and Stephen Males entertained us before and after the service with patriotic music. The PCC would like to thank all the people who helped in any way at the Sunday lunch in the Hall. It was a lovely day Good Food Good Company and Weather. We send our especial thanks to Sue Lee because without her it would not have happened. Thank You Sue. A magnificent sum of £1700 was raised for the Churchyard. We try to keep the churchyard tidy and the grass short. We have the grass mown 12 times between March & September, but never when we have all the primroses flowering by the main gate. Some of our members have bought nest boxes and 6 have been placed in the trees. Four have residents already, a sparrow and a wren. Two others are occupied but we are not sure of the variety. Over the next few weeks we shall be having work done on some of our trees. Some sycamore on the north hedge will be removed so that more light will be available to the residents of "Shamrock". Also we are waiting for the Tree Specialist from TDC to visit and

inform us whether one of our old Beech trees needs removing or if there is any remedial work can be attempted. If it has to be removed Dragon Hill will have to be closed for two days to everyone including walkers.

Some will have noticed that there is work ongoing in the Church. A large section of wall was hanging on the stones and was imminent of collapsing. To replace we have to abide by Listed Buildings criteria which means we have to use lime plaster in three coats & allow each coat to completely dry between coats.

It has been reported that some children are using the churchyard as a cycle track. Can we ask them not to do this as it is disrespectful to families who have loved ones buried there.

The Harvest Festival Service will be on Sunday 9<sup>th</sup> at 11am. Followed by Lunch and the auction in the Hall. The Carol service will be on Sunday December 18<sup>th</sup> at 6.00pm followed by mince Pies.

Church wardens, Mark Height & Patricia Soby.

## **District Councillor David Hurley**

I have previously mentioned the state of our local roads including Greeny Lane even though this is not in my Shebbear and Langtree Ward. I know of many people who no longer use this “road” because of the very poor state of the surface. I'm sure many of you too are aware of the appalling condition of this road. I spoke with a DCC Officer recently who said that my concerns would be passed onto the County Councillor responsible for this area (Andy Boyd). If you feel strongly about the poor state of this road would you please contact [andy.boyd@devon.gov.uk](mailto:andy.boyd@devon.gov.uk) stating your concerns.

On the same theme of roads, I was driving to Shebbear last week to meet with another County Councillor and I noticed lines sprayed on the road to identify where repairs are necessary. It occurred to me that many lines have also been sprayed on the surface of Greeny Lane but this was some weeks ago and, at the time of writing, nothing has happened in respect of repairs. I mentioned to the County Councillor that if repairs to roads so marked are not carried out within a reasonable time after the identification lines have been sprayed, weather permitting, DCC Highways Department will lose all credibility in the eyes of the Public. I don't believe that their standing is too high at this time anyway in view of all the potholes that exist in our roads. Why make public opinion any worse?

I mentioned in the last edition of Langtree News the proposal for allotments/Community garden on an area known as Butts Meadow in the Crescent. As I stated before, the area had been looked at by TDC and has been included in the Local Plan which has been submitted for approval by the Secretary of State. At a previous public meeting between Langtree Parish Council, Andrew Waite (Property Manager at TDC) and residents interested in establishing a Community Garden, it was stated that the land at Butts Meadow, together with other suitable plots, was suitable for housing. This was not saying that housing was going to be built there, just the possibility of such an event at some time in the future. This is part of what is known as Councils having to show that they have identified a five year supply of land for building purposes. Ultimately local needs will decide where and when housing is built. When the houses at Langtree Meadows next to the Parish Hall are completed, this I am told, should fulfil the development need in Langtree for the near (immediate) future.

The Butts Meadow news caused some consternation for the residents who were proposing a community garden as it was not clear if they would be able to use the land for their project. I asked Andrew Waite of TDC, together with a request that was sent in a letter from the Parish Council, to a meeting to explain what the situation regarding the community garden/allotments was. At my suggestion, he agreed that a Lease could be drawn up between TDC and Langtree PC to allow residents to use Butts Meadow as a community garden/allotments facility subject to certain terms and conditions. Two weeks later, I asked Mr Waite if he would prioritise some time and send a Head Lease to Langtree PC for consideration. Permission for projects such as these can often take some considerable time to obtain. In my discussions with Mr Waite I advised that the

**August 2016**

### **Community Garden Update**

project had already lost the use of the land for this year, and, if the ground was not prepared shortly, next year may also be lost. I am pleased to say that my request, and the meetings and my perseverance on the subject, was met with a positive response at TDC and the Head Lease was accepted at the Parish Council meeting in July. Hopefully all paperwork will be in place for work to commence at Butts Meadow in October this year. I feel this is an excellent outcome.

In case you haven't heard about Torrington District Council's New Homes Bonus Community Grants scheme which commenced on 1 April 2016, there is a Ward pot of £10,000 and a Community pot of £200,000. At the time of writing there have been 8 successful bids for Ward pot funding and 9 applications have scored the required points to be taken to the Council's Community & Resources Committee. Of these applications, three were granted funding at a total cost of around £76,000. The remaining six will now wait until any further applications are received and scored. The applications that receive the required points will then be taken, along with the remaining six aforementioned, to the next C&R meeting where funding will be allocated to the top scoring projects. Further information is available on the TDC website:

<http://www.torrington.gov.uk/communitygrants>

By the time this edition of Langtree Parish News is published another Parish Show will have been held. It is events like these that bring Communities together. Thank you to the organisers and all those who participated.

David Hurley

The Community Garden now has a committee and has been fundraising.

We are in the process of renting some land in the centre of the village from the Parish Council, who have been very supportive and helpful, as has Dave Hurley, our District Councillor, and we hope to be able to sign a lease soon.

Our sincere thanks to them all.

Once the details have been finalised, we will, of course, inform the village of the details of what we are planning to do – and of how people can get involved.

It is a *community* garden, and we want to be able to involve as many as possible – and to be able to ask for help and support!

We will be looking for tools, equipment, man, and woman, power (and children, too), seeds and plants and expertise.

We hope to have a regular get-together in the garden, (tea and cakes spring to mind – but maybe something a little stronger too!).

If you would like to know more, or to join us in any capacity, please contact Sue Leach, the Chairperson on 01805 601348

With our very best wishes – and more details next time

## Langtree Methodist Chapel Newsletter

I hope you are all enjoying the summer weather and being blessed by the beauty of God's creation.

**Queen's 90<sup>th</sup> birthday celebrations:** The Sunday School children were asked if there was anything they would like to do to celebrate the Queen's birthday. After much discussion they decided to make her a birthday card and have a party. The children made a lovely card which was sent to the Queen and a few weeks later we received a thank you letter and card from her Lady in Waiting. We also had a 90<sup>th</sup> birthday party as a joint celebration for the Queen and Bryan Ley (whose birthday is just a week before the Queen's) with a 'bring and share' lunch. Unfortunately the Queen didn't come along but Bryan did so he got to blow out the candles on the cake!

**Operation Christmas Child Shoebox appeal:** We will be supporting the shoebox appeal again this year and will start packing and filling the boxes in October. Typical items for a box are hat, gloves, scarf, soap, flannel, toothpaste, toothbrush, stationery items such as pencils/pens/rubbers, sharpeners and small note book/colouring book, tennis ball, small soft toy, small musical instrument such as a mouth organ, skipping rope, bag of sweets, hair clips, makeup for older girls and any other small toy/gift. Everything has to be new and no liquids/toy guns/mirrors/chocolate. I know that many ladies knit items for the boxes such as bags, gloves etc so if you are a keen knitter and would like some inspiration there are ideas on the Samaritans Purse website or I can print off some patterns for you – just give me a call.
