Next Deadline 16th September 2017 for October Edition

Langtree Chapel News

Since my last report our Torrington Methodist Circuit has appointed a new Superintendent Minister, Rev Robert Blackhall, and a Pastoral worker, Rev Lynne Burgon. Rev Blackhall will be starting in September and will be at Langtree for our Harvest Festival Service on September 17th 11am. Please come along and join us for this celebration.

We have continued meeting on Thursday evenings with a bring and share meal and Bible study/discussion/DVD. During the month of June we have been looking at the book of James. This is a relatively short book in the Bible with only five chapters but is packed with guidance for everyday living. Please feel free to join us (Contact Mary on 601350 for details) or have a look in your own Bibles.

Our service dates for the next three months are as follows (all at 11am):

July 9 th	United Service at the Parish Church 11am
July 16 th	Rosemary Quinnell 11am <i>Sunday School</i>
July 23 rd	Rev Stephen Hill – Communion 11am <i>Sunday School</i>
July 30 th	Rev Sue Macbeth 11am <i>Sunday School</i>
August 6 th	Julia Spencer 11am <i>Sunday School</i>
August 13 th	United Service at the Parish Church 11am
August 20 th	Lorna Dawe 11am <i>Sunday School</i>
August 27 th	Nancy Hall-Tomkin 11am <i>Sunday School</i>

Harvest Festival Service Sunday September 17th 11am – Rev Robert Blackhall.

Harvest Service, Supper and Sale - Monday September 18th 7.30pm.
We would love to see you at any of these services.

At a concert by the Newton St Petrock Male Voice choir recently they sang 'Let There be Peace on Earth' (words by Harry Connick Jr). I thought the words were very appropriate for the situation in our Country and beyond following recent events

Let peace begin with me
Let this be the moment now
With every step I take
Let this be my solemn vow
To take each moment
And live each moment
With peace eternally
Let there be peace on earth
And let it begin with me – *Harry Connick Jr.*

Let there be peace on earth
And let it begin with me
Let there be peace on earth
The peace that was meant to be
With God as our father
Brothers all are we
Let me walk with my brother
In perfect harmony

May God bless you all - *Cathy Ley*

Langtree Community Garden

Well Folks, Butts Meadow Allotments and Community gardens are finally in progress.

The soil is quite a challenge with lots of stones, clay and weeds, but nothing that some TLC won't improve. Bit by bit we are clearing area's and planting as we go.

We hope the shed will be up by the time you all read this.

The plan is that we are having a work day on the 3rd Saturday of each month, if you have those shrubs, flowers or veggie plants that you wish to donate, those will be the time to come, perhaps you could give us a hand if you like.

If there are things you would like to donate before then don't hesitate to phone me,

Sue Leach on 01805601348, and we can arrange to pick things up or meet you at the community garden.

Also if anyone has any carpenter skills, we are hoping to design a central seating area to be able to sit back and view the soon to be pretty gardens.

In the meantime you are all welcome to come and join in - *the more the merrier.*

Hope to see you soon.

Hobby Group

Our group continues to thrive. Every Tuesday morning there is a happy buzz of activity coming from the Leader Room, interspersed with laughter every now and then! We enjoy a cup of tea/coffee and biscuits, sometimes cake, while we chat about all and sundry!

All welcome to come and join us, if you do not have a hobby, just come along and read a book, or colour a picture, or just enjoy the company. It costs just £1.00, and you could see old friends and possibly make some new ones.

Any questions? Call me Sylvie Smith 01805 601485 and I will be pleased to help.

So what's on at Langtree Parish Hall?

The Hall has continued to be well used for a variety of events including weddings, family celebrations and training/ information sessions for various businesses such as Dartington Crystal, Coles Plant and Stapleton Yoghurt. Private functions in July and August include 4 Christenings, 2 weddings and 2 parties.

The summer lunch held in June in aid of the Church Yard fund was a lovely occasion and yes the sun did shine! 178 adults and 2 children attended. Many thanks to all who came, to those who donated raffle prizes, puddings and water and all the help on the day. £1611 profit was made. A great effort!

The Annual Parish Show takes place on 12th August. The first show was held in 2008 so this makes it the 10th. In this magazine you will find an entry form. If you have misplaced the schedule which appeared in the last magazine you can collect another from the Post Office Van, the Parish Hall or Green Dragon or Union Inn. There were a couple of omissions in the schedule. These are Bridges and Transport in the photographic section and Handmade bread in the Eats and drinks section. If you have not been to the Show before why not come along or better still enter a couple of classes. Teas are available and this year money will be donated to Macmillan Nurses.

We have one more event booked through Beaford Arts. This is a drama / workshop called No one is an island with some Caribbean food on Thursday 5th October, More information on this at a later date.

We are continuing to put aside money for the refurbishment of both the women's and means toilets at the Parish Hall. A group of us have been looking at other facilities and trying to decide what to have and who to do it. . Originally we had pencilled in the closure of the Hall for bookings other than regular groups for the last week in July and first week in August but quotes are still coming in so this will not happen yet.

Will there be another Pantomime? Well yes if there is enough support! Parish Hall Players are holding a meeting on Tuesday October 3rd at 7.30pm to see who would like to be involved both on stage and back stage. We have 3 suggested scripts to look at. These are Ali Baba and the 40 thieves, The Sleeping Beauty and Snow White and the Severn Dwarfs. These vary in the number of cast members so until we know who is interested we cannot decide on which script to use. All the scripts are for family entertainment, have parts for adults and youngsters, and contain music.

Please come along and show your interest. If you are unable to make this date and would like to take part in any way please let me know. Rehearsals are always on a Tuesday evening and usually start at 7.30pm until 9pm although sometimes youngsters rehearsals start at at 7pm. The performances have been pencilled in for Thursday 8th February, 9th February and 10th February.

Bookings for future Sunday Lunches as advertised in the last magazine is filling fast. The next lunch is on 10th September and 138 so far have booked. This is for a roast, desert, and cheese, glass of wine and tea / coffee £14.00.

If you wish to book the hall for any event please call me on 601602 or check our web site for availability on www.langtreeparishhall.co.uk

'Giving it a go' - Langtree Campanology

One of the things on my bucket list is to try my hand at bell ringing. Not the small hand-held jobs but proper full-on church bells. So imagine my delight when I heard the rhythmic dinging of bells in the Langtree Parish Church the other week. It was obvious from the mix of bells and the various rhythms and spaces in timing that there was a practice going on. Nipping over to the church I found a small band of trainee bell ringers who welcomed me to join in and have a go.

It looks easy when done well but takes concentration and practice to master the basic methods of handling the ropes such as holding the Tail End and pulling on the Sally. Unless you are a natural, these are skills that may take a week or two to master but with the ample patience of the more experienced ringers around you then it can be simply done. And, in addition to gaining an understanding of how to ring the bells it also delivers a little gentle exercise.

There are only a few of us at the moment and the level of skills ranges from complete novice to very experienced and with six bells in the tower we need some more bell ringers to complete the set.

We get together at 7.30pm most Thursdays for an hour or so of ringing at Langtree Parish Church and welcome all to come and join us to see how it is, or isn't done, and have a go as well. If you need any further information then please email Mark on mhighet@hotmail.co.uk - Leigh Pollinger

District Councillor David Hurley

Hello again. It doesn't seem long since I was compiling my last report for Langtree News. Talking of which, I noticed in the last edition that Councillor was spelt incorrectly in the published edition. I checked the report I submitted to the editorial team and it was correct. They advised that it transpired that they had used an American spellchecker prior to publication and thus the incorrect (as far as we are concerned) spelling was used!

I was invited to attend a meeting in Exeter last week with the new Head of Highways, Meg Booth. She is presently filling the post vacated when the previous Head, David Whitton, retired in April. We spoke about the new structure that is emerging at Devon County Council Highways Department since the new contractors, Skanska, commenced their contract in April. They will be known as Devon Highways..

It would seem that some working practices were identified by the new management team as inefficient and changes have taken place to rectify this. I asked why some road surfaces are repaired when they don't appear to need maintenance and why others are resurfaced when the volume of vehicles using that particular stretch of road is minimal. This is at a time when other surfaces are crying out for attention and don't appear to be on the radar of Devon Highways. The answer would appear to be that the system for grading our roads is some 25 years or more old. This results in roads that are not as important as they might once have been, being graded higher than an important, present day road. Meg informed me that this situation is being looked at. All in all a pleasant and productive meeting.

Westward Ho! Beach has once again been awarded the coveted Blue Flag. This is the 14th consecutive year this has happened. I was asked if I would travel to Bournemouth to collect the flag on behalf of Torridge District Council. Prior to going I did a little research and found that a beach has to meet 21 different criteria to be eligible to be awarded the flag. Apart from the obvious clean water, the beach must have in addition, notice boards, toilets, drinking water, lifeguards and be dog free.

The AGM of Torridge District Council was recently held. The Leader for the past two years, Councillor Jane Whittaker was re-elected and I was nominated and duly elected as Deputy Leader of TDC.

With new responsibilities my life has become even busier than it was before.

These are just a few conditions as the list is quite extensive. I delivered the flag to the Head Ranger at Northam Burrows Visitor Centre and I was a little concerned when I heard that there had been a fire at the Centre a few days later. The flag was fine but there was extensive damage to the centre section of roof. Fortunately thanks to the actions of TDC staff the Centre was working again in time for the recent half term holiday when a lot of workshops were due to take place at the Burrows.

The development at Langtree Meadows (the new builds beside the Parish Hall) rumbles on. I note that two more houses have been rendered and are closer to completion. What is happening to the affordables you may ask? I can say no more at this time other than work is taking place in the background to enable these properties to be completed. It would certainly be good to see this development finished as it has been a long time in the building process.

Some months ago I supported and authorised £16,000 from the Community Fund to go to Langtree Parish Hall. Since that time other Communities have recently been awarded money to enable them to commence projects that would benefit their residents. Requests for a Community Grant were received, amongst others, from Ashwater, Littleham and Halwill. Refurbishment and repairs to the village/parish halls of these villages can now commence and this is something that would not have been possible without the award of the grants.

May I wish you all a good Summer.

Kind regards

David Hurley

Langtree WI

Hello ladies! I can't believe we are half way through this year already, how time flies when you are having fun, and I am pleased to say we have had much fun this year. Our speakers have been great and we were excited to win the "Group Competition" this year. This involved quite a few of our members and in particular Marion Pollinger and Denise Hinchliff. Well done to all the ladies!

At this present time we are busy preparing an entry for the Wolsery Show at the end of July, so keep your fingers crossed for us.

August we will be enjoying our summer outing! (to be decided)

September First Aid Basics with Jill Carter.

October Creating a fruit and veg garden.

November Xmas decorations, garlands etc.,

December Christmas party and quiz.

All Welcome. Our meetings are held every third Wednesday at 7.30pm at the Parish Hall. Visitors £4.00

SOMETHING SPECIAL

As you know our WI always provide the teas etc. at the Parish Show. This year we are donating the proceeds to "MacMillan Nurses" in memory of Angela Ley and Racheal Hill - Two wonderful ladies that are very sadly missed by us all. We look forward to your usual support.

Many thanks - Sylvie Smith

Top Tips – 1. When you've missed a phone call, simply dial '1471' to hear the last number that rang you. 2. If you misplace your corkscrew, simply place your bottle into a shoe and gently hit against a wall, the cork will slowly work its way out.. - <https://youtu.be/hbQQg53VGGc>

News from Langtree Community School

Foundation Stage 'Stay and Play' Sessions: next session is Friday 07 July 2017 Our Foundation Stage provides a happy and nurturing environment in which Nursery-aged children are sensitively and expertly prepared for mainstream school and school life. If you have a child of pre-Nursery age who is soon due to start with us, we would love you to come along to see for yourself what makes our class so special, and warmly invite you and your child to our 'Stay and Play' sessions on the first Friday of every month. The children will have a chance to play in the classroom, as well as play in the garden, and to mix with our current nursery children; an ideal opportunity for you and your child to experience our Foundation Class together, meet some of our staff and become familiar with the Foundation environment. It's a good time to ask questions and talk to other families. You can come and view the well-equipped and comfortable facilities and observe, and take part in, play, interaction and development in a stimulating environment. We look forward to welcoming you!

Welcome to Newly Appointed School Governors We are delighted to be able to welcome Kate Blundell, Kaye French and Anna Lewis to our governing body as our new Governors taking the place of Mrs Pat Chappell, Mr Christian Vickery and Mr John Lewis who have recently resigned. All three ladies live in Langtree village, and bring with them experience and skills to enhance and support our governing body and school. We look forward to warmly welcoming them to meetings, school events and visits in the future. See below for more details of one which has already taken place!

Hooray for Swimming! Our first swimming sessions took place on Friday 09 June, when Class Two took to the water to be first in the pool this term! We are all very grateful to Karen our Caretaker for her hard work making sure our pool not only looks amazing, but is also hygienic and safe for us to use. Summer must really have started now!

Safe Use of the Internet We were delighted to be able to welcome PC 4555 Anna Lewis from Devon and Cornwall Police on Monday morning when she hosted a relaxed drop-in session for parents and families to come and ask questions on the theme of online safety and children using the internet. This included advice about age restrictions for common websites such as Facebook, Instagram and YouTube, and simple steps parents can take to help keep children safe online or, if things become tricky, what to do if things go wrong. Following that session, she worked with our older children on the same topics, giving them a chance to ask any questions they had too. This was a really useful opportunity to learn just a little bit more about how to keep your children safe online and one which we are hoping to repeat at a future date.

Our Summer Term always includes lots of sports activities, and this term so far we have enjoyed a **Tennis Festival** at Great Torrington School, having one-to-one coaching to help improve their tennis skills, just in time for The Championships, Wimbledon (maybe to watch, rather than take part!); **Tag Rugby Team** when we played in a tournament at Barnstaple Rugby Club, and got through to the quarter finals; playing in the **Netball Holsworthy League which has now** finished for the season with our team finishing third overall out of nine teams who competed very intensely for the end result. We continue to be grateful to all our volunteer drivers, without whom we couldn't take part – we really couldn't do it without you! **Rugby** has been a feature of our sporting calendar too, as over the last couple of weeks, on a Friday afternoon, Adrian Avery from Great Torrington Rugby Club, has been here on site coaching Class Three children. He was pleased to let us know that, during only the second session, they had moved on to practise more advanced rugby skills, ready for their final session. **'Streetz' Dance Crew** visited just before the Half-Term holiday to teach some down-on-the-street routines to Class 2 children (and maybe Mr Vero, their teacher, too!) and had us all jiggling and jiving to some high-energy music, to keep us moving towards our Half-Term break.

After many years of being our Headteacher, Miss Mellody has decided that she would like to tidy away just a few of her lesson plans, observations and classroom resources to reduce her hours. After discussions with the whole governing body and school staff, we have all agreed that we would rather have her continue for the reduced hours, than lose her now to retirement! Mr Smale has agreed to take over the two days a week that Miss Mellody will not be working. Miss Mellody intends to work Monday, Tuesday and Wednesday and Mr Smale will share the headship by leading the school on a Thursday and Friday. Miss Mellody and Mr Smale have agreed they will be Joint Heads, allowing for a continuation of the great leadership of the school. Governors are currently recruiting to appoint staff to cover the gaps created by these changes, and are hopeful that, in our next update, will be able to announce details of successful applicants.

Royal British Legion Poppy Appeal 2017

The annual Poppy Appeal has long formed the main focus of the Royal British Legion's fundraising effort. It succeeds through the dedication of the Poppy Appeal collectors: without them the appeal would not be successful. Also, many people look forward to the opportunity of wearing a poppy in November when they can show their respect to those who have served their country.

The Mid Torridge area is well covered by Poppy Appeal collectors, however, we do need someone to cover Stibb Cross. Being a collector is a way of giving something to the community and supporting the Royal British Legion. If you would like to become a Poppy Appeal Collector please contact me on 01409 261760.

Thank you. Roger Lawes.

Mark & I would like to thank everyone who attended & helped in any way at the Sunday Lunch on the 11th June. But we mainly thank Sue Lee for her organising the whole Lunch. The event raised £1611 for the Church Yard, a little down on last year. To keep the Yard in a reasonable state it costs the church £720 a year to cut the grass & keep the Hedges trimmed. (Ros & Ray Hancock help with ensuring Dragon Hill is cut every year).

As some may know the trees are over 250 years old and are approaching the end of their lives. We have spent money & had them treated, by removing dead branches etc but eventually they will have to be removed. We had a very diseased beech tree removed last summer,(the tree was growing on the edge of Dragon Hill). After going out to tender The Tree People removed it at it cost £1000. This was the cheapest quote we received.

Shortly we shall be having a tree removed which had decided to grow on the north side of the Tower. This was one of the jobs which the Church Surveyor has said we must do. The report which we received last Autumn is not so bad as it has been in previous years. He has not found any really bad problems that need attention. We shall be working our way thorough his suggestions over the next five years.

Martin Warren.*

Langtree Parish Council – Terry Attridge, Chairman

The new development adjacent to the Parish Hall occupies much of the meeting time of the Parish Council. Some time ago we received a communication from the developer's solicitor containing documents to be signed to transfer the recreation ground to the Parish Council. Despite a request that we signed and returned the documents within a few days the council took time out to consult the borough solicitor with regard to outstanding work on the land to be transferred. After this meeting the transfer document was signed and returned. We have heard nothing since. Although this business has been going on for several years and the footballers who initiated it with a petition for a playing field are now contemplating the end of their footballing days, deadlines are in sight. By March 2018 or when the fourth open market house currently under construction becomes occupied, the 106 agreement which governs this development dictates that all the developer's commitments to the Parish must be complete.
